

BROWN TOYOTA

MAINTENANCE GUIDE

5k mile service packages

premium package

- replace engine oil & filter (5qts)
- reset oil life system
- visually check for any leaks or damage
- inspect engine air cleaner, replace if necessary or change indicator
- rotate & inspect tires, reset pressure monitoring system
- check tire inflation, pressure & wear
- inspect brake system, including brake lines, hoses, pads, calipers, wheel cylinders, rotors, & drums
- check engine coolant & windshield washer fluid
- inspect engine cooling system
- lubricate body components
- inspect wiper blades for wear or cracking
- inspect restraint system components
- inspect suspension & steering components
- check transmission/transaxle fluid level & add fluid
- run electronic system performance test & battery diagnostic
- **install roadside assistance/road hazard protection (good for 4mo/5,000mi)**
- perform fluid diagnostic service
- install engine oil system conditioner
- install fuel system treatment

5w20 Vehicles **\$109.95** T5000V5
